Session 4

1. What part of the teaching did you find insightful or challenging?

2. What do you find challenging about reading the Bible? What are some ideas for overcoming these challenges?

3. Where do you feel like your life needs to change in the light of the guidelines of Scripture?

4. While the invention of the printing press allowed for many more people to read Scripture, at times it has isolated us from processing it together as a church community. Do you find this to be true? How can we make sure we are not isolated?

5. Which of these uses for the Bible do you most connect personally with? Teaching? Reproof? Correction? Or instruction?
