Session 3

1. Have you ever been witness to or on the receiving end of a need that was met supernaturally? What were the circumstances?

2. Read 1 Corinthians 12:26-27. What does Paul want believers to understand about being a part of one body in Christ?

3. Have you ever wondered, "God, why don't You just meet all the needs in this world!?" How has this study shaped your perspective?

4. Read Luke 10:1-3. Why do you suppose Jesus sent His seventy-two disciples in pairs?

5. Michael Barrett's personal challenge was quoted saying, "I don't ever again want to pray a prayer that I'm not willing to be the answer to." In what ways did this session encourage and challenge you, personally?

6. What may be some needs of which you, as a group, are aware? What would it look like for our group to apply truths from this session with those needs?
