INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Trash Mountain Project, Inc.

We have audited the accompanying financial statements of Trash Mountain Project, Inc., which comprise the statement of financial position as of May 31, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Trash Mountain Project, Inc., as of May 31, 2019, and the changes in its net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
May 31, 2019

NOTE 1 ORGANIZATION AND NATURE OF OPERATIONS

Trash Mountain Project, Inc. (the Organization) is a not-for-profit organization established in 2009 that works internationally developing countries and partners with local churches, individuals and organizations to sustainable change in communities that surround and/or depend on a landfill to live.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The Organization provides information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted.

Basis of Presentation

The Organization reports information regarding its financial position and activates according to two-classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net Assets without Donor Restrictions – These net assets generally result from revenues generated by receiving contributions that have no donor restrictions, providing services, and receiving interest from operating investments, less expenses incurred in providing program-related services, raising contributions, and performing administrative functions.

Net Assets with Donor Restrictions – These net assets result from gifts of cash and other assets that are received with donor stipulations that limit the use of the donated assets, either temporarily or permanently, until the donor restriction expires, that is until the stipulated time restriction ends or the purpose of the restriction is accomplished, the net assets are restricted.

New Accounting Pronouncement

During the year ended May 31, 2019, the Organization elected to early adopt the requirements of the Financial Accounting Standards Board's Accounting Standards Update No. 2016-14-*Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities* (ASU 2016-14). This Update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return between not-for-profit entities. A key change required by ASU 2016-14 is the net asset classes used in these financial statements. Amounts previously reported as unrestricted net assets are now reported as net assets without donor restrictions and amounts previously reported as temporarily restricted net assets and permanently restricted net assets are now reported as net assets with donor restrictions. A footnote on liquidity has also been added (Note 4).

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles includes the use of estimates that affect the financial statements. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity dates of less than three months. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments. The Organization had no noncash financing transactions nor made payments for income taxes or interest.

Property and Equipment

Property and equipment are recorded at cost. Depreciation is provided over the estimated useful life of each class of depreciable assets and is computed using the straight-line method. Expenditures for major renewals and betterments that extend the lives of property and equipment are capitalized, when assets are retired or otherwise disposed of, the asset and related accumulated depreciation are reduced and any resulting gain or loss is recognized in income for the period. The cost of maintenance and repairs is expenses ad incurred.

The estimated services lives of property and equipment are principally as follows:

	<u>Years</u>
Computer equipment	5
Furniture, fixtures and equipment	7
Music license	15
Camera equipment	5
Software	3
Trademark	10
Leasehold Improvement	15

Contributions

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restricted expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Spoken campaign income consists of contributions received during the annual Spoken fundraising event.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Donated Materials and Services

Donated materials or equipment are reflected as contributions in the accompanying financial statements at their estimated fair values at the date of receipt. Volunteers have contributed significant amounts of time to the Organization without compensation. Donated services have not been recognized in the financial statements because they do not meet the criteria for recognition under FASB ASC 958-605-20.

Functional Allocation of Expenses

The cost of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Taxes

The Organization is exempt from income tax under provisions of Section 501(c)(3) of the Internal Revenue Code. The Organization is not classified as a private foundation. The Organization's returns are subject to examination by tax authorities for three years after they were filed. There are currently no examinations of the Organization's income tax returns in process.

NOTE 9 SUBSEQUENT EVENTS

Subsequent events were evaluated through the date of the audit report, which is the date the financial statements were available to be issued. As a result of the spread of the COVID19 coronavirus, economic uncertainties have arisen which are likely to negatively impact donation income. Other financial impact could occur though such potential impact is unknown at this time.
